The District employs winter averaging for wastewater usage for residential customers.

- c. The District shall, as required by Section 5.235, Water Code, collect from each of its retail customers a regulatory assessment equal to one-half of one percent of the charge for retail water or wastewater service. This charge shall be collected in addition to other charges for utility service. This fee is collected on all charges pertaining to Section G.6. Monthly Charges of this Service Policy.
8. **Late Payment Fee.** Once per billing period, a penalty of 20 % shall be applied to delinquent bills. This late payment penalty shall not be applied to any balance to which the penalty was applied in a previous billing but shall be applied to any unpaid balance during the current billing period.
9. **Returned Check Fee.** In the event a check, draft, or any other similar instrument is given by a person, firm, District, or partnership to the District for payment of services provided for in this Service Policy, and the instrument is returned by the bank or other similar

institution as insufficient or non-negotiable for any reason, the account for which the instrument was issued shall be assessed a return check charge of \$30.00 plus any charges that are charged to the District by its bank as a result of the returned check or other instrument.

10. ***Reconnect Fee (Re-Service Fee).*** The District shall charge a fee of \$50.00 for reconnecting service after the District has previously disconnected the service for any reason provided for in the District Service Rules and Regulations. The Customer shall also be responsible for other charges provided for in the District's Regulations.
11. ***Fee for Unauthorized Actions.*** If the District's facilities or equipment have been damaged by tampering, by-passing, installing unauthorized taps, reconnecting service without authority, or other service diversion, a fee shall be charged equal to the actual costs for all labor, material, and equipment necessary for repair or replacement of the District's facilities and shall be paid before service is re-established. The fee shall also include the actual costs for all labor, material, equipment, and other actions necessary to correct service diversions, unauthorized taps, or reconnection of service without authorization. All components of this fee will be itemized, and a statement shall be provided to the Customer. If the District's facilities or equipment have been damaged due to unauthorized use of the District's equipment, easements, or meter shut-off valve, or due to other unauthorized acts by the Customer for which the District incurs losses or damages, the Customer shall be liable for all labor and material charges incurred because of said acts or negligence. Note: Payment of this fee will not preclude the District from requesting appropriate criminal prosecution. The Customer shall also be responsible for any payment of any fee or fine charged or assessed against the District by the Texas Commission on Environmental Quality or any other agency because of any tampering, bypassing, unauthorized tap, reconnecting service without authority, service diversion or any other damage to or interference with the District's facilities or equipment.
November 2,2020- Tampering Fees- \$300.00 for standard meter/\$1,200.00 for 1"-2" meters. If the property is a rental the owner of the property will be held responsible for the amount due.
12. ***Meter Test Fee.*** The District shall test a Customer's meter upon written request of the Customer. Under the terms of the District's Regulations, a charge of \$40.00 shall be imposed on the affected account. In the event the meter is submitted to a third party for testing, the customer will pay the actual costs of testing.
13. ***Customer Service Inspection Fee.*** A fee of \$40.00 will be assessed each Applicant before permanent continuous service is provided to new construction if an additional inspection is required in addition to the initial inspection included with the installation or tap fee.
14. ***Regulatory Assessment.*** A fee of 0.5% of the amount billed for water/sewer service will be assessed each customer as required under Texas law and TCEQ regulations.
15. ***Additional Assessments.*** In the event any federal, state or local government imposes on

the District a "per meter" fee or an assessment based on a percent of water/sewer use or charges, this fee or assessment will be billed and collected as a "pass through" charge to the customer.

16. ***Other Fees.*** The actual and reasonable costs for any services outside the normal scope of utility operations that the District may be compelled to provide at the request of a Customer shall be charged to the Customer.
17. ***Inactive Meter Fees.*** (Added 10/6/2014) All inactive Residential and Commercial water meter accounts will be charged a flat \$25.00 monthly fee with no water usage. If the account goes twelve (12) months without a payment a certified letter will be sent to the latest address on file, if no response to the certified letter or the account has not been brought to current standing the water meter will be pulled. To gain another water tap the current rates for a new tap will apply along with a deposit.
